Telephone 248-355-3875
Fax 248-355-3857
Cellular 248-320-4151

Prepared 4/18/2008

Brian N. Kirschner, M.D.

Professional:

Millennium Medical Group, P.C.
26400 W. 12 Mile Rd., #110
Southfield, MI 48034
248-355-3875
Fax 248-355-3857

Education:

Brown University, Providence, RI	1984-1988
A.B. <i>Magna cum Laude</i> with Honors in Human Biology, May 1988	
University of Michigan Medical School, Ann Arbor, MI	1988-1992
M.D., May 1992	

Postgraduate Training:

St. Joseph Mercy Hospital, Ann Arbor, MI	1992-1993
Intern in Internal Medicine	
University of Michigan Hospitals, Ann Arbor, MI	1993-1996
Resident in Neurology	
University of Michigan Hospitals, Ann Arbor, MI	1996-1997
Fellow in Neuromuscular Disease and Electroneuromyography	

Academic Appointments:

Wayne State University School of Medicine, Detroit, MI	1997-present
Clinical Assistant Professor, Department of Neurology	
Michigan State University, East Lansing, MI	1998-present
Assistant Clinical Professor, College of Osteopathic Medicine, Department of Neurology and Ophthalmology	

Medical Practice:

Associates in Neurology, P.C., Farmington Hills, MI	1997-2002
Nerve and Brain Consultants, P.C., Southfield, MI	2003-2006
Millennium Medical Group, P.C., Southfield, MI	2007-present

Hospital Privileges:

Providence Hospital, Southfield, MI	1997-present
William Beaumont Hospital, Royal Oak, MI	1997-present
Huron Valley-Sinai Hospital, Commerce Twp., MI	1997-present
Botsford General Hospital, Farmington Hills, MI	1997-present
Straith Hospital for Special Surgery, Southfield, MI	2003-present

Memberships:

American Academy of Neurology	
Michigan Neurological Association	
Membership Director	2008

Licensure and Board Certification:

Diplomate of the American Board of Psychiatry and Neurology	exp. 12/17
Subspecialty Certification in Clinical Neurophysiology	exp. 12/09
Physician license, State of Michigan, #4301059501	exp. 1/31/10
DEA license, #BK4113154	exp. 12/31/08

Awards:

Brown University	
A. A. Bennett Award for excellence in biology	1988
Sigma Xi Honor Society Associate Member	1988

University of Michigan Medical School	
Full Tuition Merit Scholarship	1988-1992
Summer Research Fellowship, National Institutes of Health	1989
Alpha Omega Alpha Medical Honor Society	1990-1992

Providence Hospital	
Five Star Customer Service Award	2004
Rising Star Award for leadership in quality improvement	2004

Service:

Alpha Omega Alpha Medical Honor Society	1991-1992
President, University of Michigan chapter	

Stroke Unit	2003-present
Co-Director, Providence Hospital	

Teaching:

Providence Hospital, Southfield, MI	1997-present
Proctor medical students and residents on monthly rotations	

William Beaumont Hospital, Royal Oak, MI	1997-present
Proctor Wayne State University medical students on monthly rotations	
Staff student/resident neurology clinic	

Botsford General Hospital, Farmington Hills, MI	1998-2002
Proctor neurology residents on monthly rotations	

Committees:

Stroke Pathway Development Team Physician Champion, Providence Hospital	1999-2006
Stroke Pathway Development Team St. John Health System	2000-2006
Pharmacy Medication Management Council Neurology/Psychiatry Drug Specialty Panel St. John Health System	2001-present
Neuroscience Advisory Group St. John Health System	2007-present

Publications:

Bowen WD, Tolentino PJ, Kirschner BN, Varghese P, deCosta BR, Rice KC. (1993) Sigma receptors and signal transduction: Negative modulation of signaling through phosphoinositide-linked receptor systems. In Sigma, PCP, and NMDA Receptor Systems. National Institute on Drug Abuse Research Monograph Series. De Sousa EB, London ED, Clouet DH, eds. 133: 69-93.

Published Abstracts:

Kirschner BN, Helewell SB, Newman AH, Rice KC, Bowen WD. (1988) Sigma receptors negatively modulate agonist-stimulated phosphoinositide metabolism in brain synaptoneuroosomes. Soc Neurosci Abstr. 14: 86.

Burdette DE, Kirschner BN, Wagner JG, Olson L, Zheng C, Patel IH, Henry TR, Vanderspek A, Koss-Twardy S, Sackellares JC. (1992) Reduced electroencephalographic response to midazolam ipsilateral to temporal lobe epileptogenic foci. Epilepsia. 33 (Sup. 3): 105-106.

Presentations:

"Sigma receptors negatively modulate agonist-stimulated phosphoinositide metabolism in brain synaptoneuroosomes"
Society for Neurosciences
November, 1988

"Reduced electroencephalographic response to midazolam ipsilateral to temporal lobe epileptogenic foci"
American Epilepsy Society
December, 1992

"Human disorders of prions and Mad Cow Disease"
Grand Rounds, Department of Neurology, University of Michigan
May, 1996

Neuromuscular disorders clinical conferences

Departments of Neurology and Physical Medicine and Rehabilitation, University of Michigan
10 hour-long conferences during 1996-1997

Providence Hospital teaching conferences

Lectures to medical students and residents on various topics
1997-present

“Acute vertigo”

Grand Rounds, Department of Internal Medicine, William Beaumont Hospital
February, 1999

“Current therapy of acute stroke”

American Society of Medical Transcriptionists, Michigan Chapter
March, 1999

“Providence Hospital stroke pathway”

Departments of Internal Medicine, Family Practice, and Emergency Medicine
Providence Hospital
January, 2002

“Peripartum headache”

Morbidity and Mortality Conference, Department of Obstetrics and Gynecology
Providence Hospital
February, 2002

“Management of the symptoms of multiple sclerosis”

Community outreach program
Teva Neurosciences
August, 2005
July, 2006

“Multiple sclerosis update”

Community outreach program
Biogen
December, 2005
June, 2006

“Neuromuscular electrodiagnostics for attorneys”

Michigan Trial Lawyers Association
Workers Compensation and Social Security Annual Seminar
January, 2006

“Clinical management of painful diabetic polyneuropathy”

Educational Conference, Department of Physical Medicine and Rehabilitation
Wyandotte Hospital
August, 2006

“Learn the neurology you need to know to effectively represent your clients”

Michigan Trial Lawyers Association
Plaintiff Bar Seminar
October, 2006

“How to Enhance Brain Vitality”

Dorothy & Peter Brown Jewish Community Adult Day Care Program
April, 2007

Clinical Research:

Potassium Opening in Stroke Trial
Clinical trial of neuroprotective therapy in acute stroke

2000
