

CURRICULUM VITAE

STEVEN A. KUSHNER, D.O.

TRAINING/DEGREES

1980: B.S., Biology, University of Michigan, Ann Arbor, MI.
1984: D.O., University of Osteopathic Medicine and Health Sciences, Des Moines, IA.
1985: Flexible Internship, Botsford General Hospital, Farmington Hills, MI.
1989: General Surgery Residency, Michigan Osteopathic Medical Center.
1990: Hand and Microvascular Fellowship, Harper Hospital, Detroit Medical Center.

LICENSURE:

State of Michigan, July 1985.

BOARD CERTIFICATION:

Certification of General Surgery, American Osteopathic Board of Surgery, Sept. 1992, Certificate No. 1337.
Certificate of Added Qualification in Hand and Upper Extremity Surgery, The American Osteopathic Association in conjunction with The American Osteopathic Board of Orthopedic Surgery, Oct. 2002, Certificate No. 1422.

SOCIETY MEMBERSHIPS:

American Osteopathic Association.
American College of Osteopathic Surgeons.

PROFESSIONAL EXPERIENCE:

Currently in private practice in Tri-County area of Michigan, specializing in upper extremity orthopedic surgery, especially from the elbow to the distal interphalangeal joint. I have been in this area essentially since 1992.

From 1990-1992, I was in an Upper Extremity group in Miami, Florida, essentially a group of orthopedic hand surgeons and plastic surgeons who specialized in treatment of the upper extremity from the elbow to the distal interphalangeal joint.

ROLE IN RESIDENCY EDUCATION PROGRAM:

My expertise is in orthopedic upper extremity surgery. That is the majority of my work. I bring to the Residency Education Program the specialization in this area of upper extremity surgery, and I hope to impart a great deal of knowledge to the Plastic Surgery Fellows who rotate on my service, including basic understanding of bone biology and fracture healing, current concepts of wrist reconstructive procedures, diagnostic wrist modalities including arthroscopy.
